CHANGE OF STATUS REQUEST

This form is for students who wish to be classified as non-degree seeking students at Mount Olive College.

**Note:** Non degree seeking students are not eligible for any federal, state or institutional financial aid.

The following student status definitions will help you to make your decision.

- A “Visiting” applicant is a student enrolled at another institution who wishes to take a course at Mount Olive College for transfer. A visiting student must present written permission from the sending institution to take courses at Mount Olive College (for military schools, the location director can sign below).

- A “special” applicant is a non-degree seeking student who may or may not be a high school graduate. As a special applicant, you can take up to a maximum of 24 semester hours before having to declare a major and become degree seeking.
