UNIVERSITY OF
MOUNT OLIVE

2015–2016 ANNUAL REPORT
& HONOR ROLL OF DONORS

MISSION STATEMENT

The University of Mount Olive is a Christian faith-based, values-centered private institution rooted in the liberal arts tradition. We serve our students, our founding church, and our communities.

FROM THE PRESIDENT

Dear Friends of the University of Mount Olive:

I am pleased to provide you with this report of annual contributions to the University of Mount Olive for the fiscal year July 1, 2015 through June 30, 2016. Once again, it has been a successful year for the University, and so much of this has been made possible through the generous support from individuals and organizations like you.

What an exciting year! We witnessed the significant growth of our MBA degree, as well as the rapid expansion of our RN-BSN degree program. The continued development of our agriculture programs has been astounding. It is unusual to have agriculture programs on a private college campus, but these make perfect sense for us as we are located in the heart of NC agriculture. It is rewarding to see that our agriculture programs are receiving great attention throughout the state and country. We recently received approval from our regional accrediting association to proceed with two new graduate degrees: a master's of science in nursing (MSN) and a master's in education (M.Ed.). We are in process of completing a new track/lacrosse complex, expanding our art facilities to include a ceramics facility, and renovating our cafeteria and snack bar. Plans for the expansion of Rodgers Chapel are nearing completion.

All of this has been made possible through the generosity of so many people who believe so strongly in the mission, vision, and values of the University. This institution was founded to serve its students, its founding denomination, and its communities. That vision is as true today as it was 65 years ago. Our students are served not only in Mount Olive, but also through numerous locations throughout the eastern region of North Carolina and through online opportunities. We remain affordable due to lower costs and extensive financial aid programs, which together enable qualified students to be able to attend regardless of their family resources. We are exploring new and exciting ways of being in service to the Convention of Original Free Will Baptists, and we serve all of the communities where we have our locations.

We consider it an honor and a privilege to be part of the University of Mount Olive. It is an incredible opportunity for each of us to see the impact of what we do on the lives of so many. There are remarkable things happening, and we are able to see how these actions change the lives of our students and have an impact on our churches and communities.

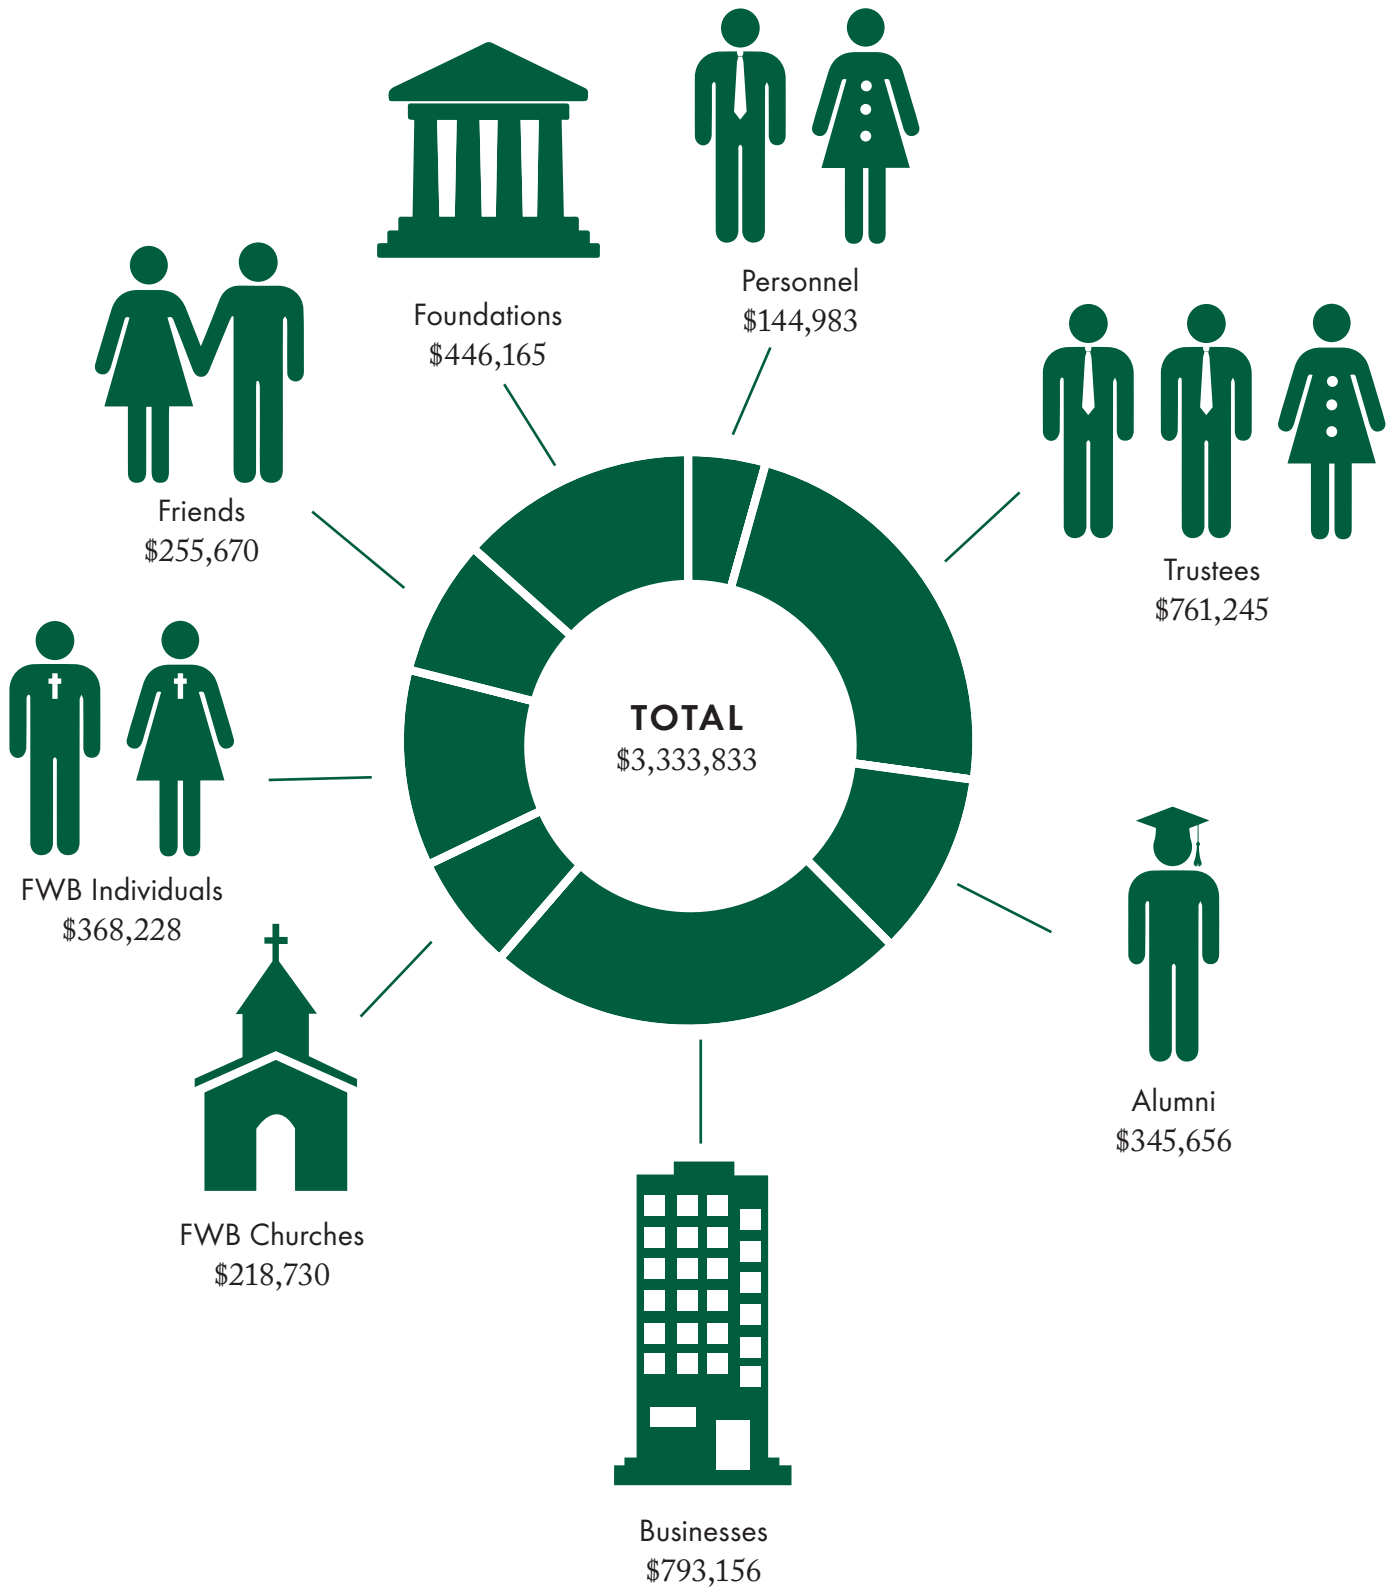

On behalf of the University, thank you for your commitment to the University and for your confidence in us to be faithful stewards of the resources that you have entrusted with us. May God continue to bless you, and may God continue to bless the University of Mount Olive.

Sincerely,

Philip P. Kerstetter, Ph.D.
President
